Macpherson historical date

80 years ago, on the night of 7-8 June 1944, Sir Thomas Macpherson parachuted in a kilt into France, in the countryside of the small town of La Luzette, and his actions made him a hero of the Second World War.

NEWS FROM GERMANY

At the Highland Games in Oekhoven in Germany, the German member received some very good news for us. During the last visit to our Clan Pavilion, the Youth Animal Protection Group in North Rhine-Westphalia visited the town of Newtonmore after receiving a lot of information from us about our Clan. They wanted to visit the Clan Museum, which was unfortunately closed.

Nevertheless, the visit was a highlight as they successfully took part in the «find the Wildcats» in Newtonmore.

The first Highland Games for the German members took place in Oekhoven/Germany. In addition to the start of a sporting season, the Clan and its projects were also presented!

The German member presented the Wildcat project of our Clan Macpherson as part of the Day for Species Conservation in the Wuppertal/Germany. In addition to many conversations about wild cats, there was also a great deal of interest in our Clan. Perhaps we were able to win over one or two Scotland enthusiasts for our Clan Museum. We would be delighted!
